Talk hands free on your office and cell phones!

GN Netcom 6210 wireless headset

Works wherever you do!

The versatile GN Netcom 6210 is the perfect short-range wireless headset for the office. Plus, it works with Bluetooth® and non-Bluetooth cell phones, so you can stay connected when you're on the go. Using proprietary GN Link™ technology, the GN 6210 seamlessly switches to the device you're using, giving you more calling flexibility than ever before.

- **GN Link Technology** lets you talk wirelessly inside or outside the office. Switch between your office phone or cell phone whenever you need to!
- **Up to 33-foot range** gives you the freedom to move, multi-task, and work smarter.
- **Up to 8 hours of talk time** on one battery charge lets you talk hands free all day long.
- **Unique behind-the-ear wearing style** includes contoured shape, complete with patented MiniGel™ eartip to guarantee all-day comfort.
- **Lightweight and compact...** the GN 6210 weighs less than an ounce and easily fits in your pocket or purse.
- **VoIP compatibility** lets you make calls via your computer using the USB Bluetooth adapter. Requires VoIP computer softphone and service (not included).
